

## SUBJECT INDEX - VOLUME 2

### *JOURNAL OF WOMEN AND MINORITIES IN SCIENCE AND ENGINEERING*

Page Numbers for Issues:

**Issues I & 2, 1-121; Issue 3, 123-192; Issue 4, 193-279**

- Advertising, veterinary medical and gender portrayal, 49
- African American
  - attitudes towards social statistics class, 181
  - scientists, 123
- Afrocentric perspective on science, 123
- Calculus
  - achievement and gender in, 113
  - communication in undergraduate class, 91
- Computer science
  - curriculum for hearing impaired, 141
  - computer integrated calculus, gender and achievement in, 113
- Education
  - engineering, science, female undergraduates, 33
  - calculus, communication in class, undergraduates, 113
  - computer science curriculum, hearing impaired, 141
  - mathematics
    - elementary school girls, 65
    - university women, 181
    - social statistics, 181
  - science, girls, 65, 83
  - technology, barriers for women, 17
  - university graduate students, women, 151
- Employment
  - veterinary medicine, gender, 49
  - career choices, young women, 17, 33
- Engineering
  - undergraduate women, backgrounds, abilities, values, goals, 33
  - undergraduate women, retention in, 33, 255
- Fellowship applicants, minority women, 207
- Feminism
  - and women scientists in India, 225
- Gender
  - portrayal in veterinary medical advertising, 49
  - and achievement in computer-integrated calculus, 113

- Graduate students
  - women, mentoring, 151
- Hearing Impaired
  - computer science curriculum for, 141
- Hispanics
  - attitude toward social statistics class, 181
- India
  - women scientists in, 225
- Martin, Jane Roland "Reclaiming a Conservation: The Ideal of the Education Woman", review essay, 269
- Intervention programs
  - math/science, elementary school girls, 65
  - science, girls, 83
- Mathematics
  - achievement in calculus, computer-integrated, 113
  - calculus, undergraduate class, communication in, 91
  - elementary school girls, exploration project in, 65
  - history of women in, 171
  - minorities and women in social statistics class, 181
  - university women, predicting participation in, 193
  - social statistics, 181
- Mentoring programs
  - women graduate students, 151
- Pedagogy
  - communication, undergraduate calculus class, 113
- Physical science doctorates, women, 1
  - baccalaureate origins of, 1
- Retention
  - in engineering and science, female undergraduates, 33
  - in math and science, university women, 193
- Science
  - elementary school girls exploration of, 65
  - girls, pursuit of career in, 83
  - women, feminism in India, 225
  - women's confidence in, 243
  - retention in, 193, 255
- Technology education
  - as career choice for women, 17
- Undergraduates
  - calculus class, communication in, 91
  - computer science, hearing impaired, 141
  - engineering, freshman women, 33

## Subject Index, Vol. 2

engineering, women, 65  
math and science, university women, 193  
social statistics, women and minorities, 181  
technology, women, 17

## Veterinary medicine

advertising, gender portrayal in, 49
