

## SUBJECT INDEX — VOLUME 10

*Journal of Women and Minorities in Science and Engineering*

Page Numbers for Issues:

**Issue 1, 1–98; Issue 2, 99–202; Issue 3, 203–296; Issue 4, 297–400**

- African Americans
  - elementary education, 203
- Assessing Women in Engineering (AWE) Project, 283
- Assessment Instruments
  - development of, 283
- Astronomy Diagnostic Test (ADT), 89
- Children's Sex-Role Inventory (CSRI), 37
- Clare Boothe Luce (CBL) Professorship recipients, 131
- Committee on the Advancement of Women Chemists, 297
- Elementary Students
  - evaluation of voucher impact on achievement, 203
  - girls' beliefs about the work of scientists, 393
  - primary science curriculum, 341
- Engineering
  - African American elementary students, 203
  - curricular change to enhance diversity, 255
  - mentoring for students in, 377
  - programs, 1, 255, 283
  - recruitment of female faculty members in, 361
  - retention in, 217, 361
  - supporting females in, 1, 161, 283
- Enhancing Diversity in Graduate Education (EDGE) Program, 243
- Evolutionary Ecology, 353
- Family, 99, 297
- Gender Equity
  - in computing, 37, 55, 67
  - in science and engineering, 361
- Gender
  - and attitudes about information technology, 67, 79, 317
  - and attitudes regarding work and family, 99, 297
  - and computer use, 55, 67, 179, 317
  - and journal review process, 353
  - and mentoring in engineering programs, 377
  - and research output, 353
  - and stereotype threat, 89, 179, 353
  - and web-site design and content, 37
  - gap in technical disciplines, 149
- Gender Schema Theory, 21
- High School
  - female interest in information technology, 67
- Immigrant Students, 21

- International Students, 21
- Junior Girl Scouts, 79
- Jungian Personality Type, 217
- Mathematics
  - graduate school experience for women in, 243
  - residential camp for middle school girls, 317
  - supporting females in, 161, 243
- Men
  - attitudes toward gender, work, and family, 99
  - mentoring in engineering programs for, 377
  - retention, 217
- Middle School
  - Attitudes in mathematics and technology in girls, 317
  - educational intervention in technology, 179
  - mathematics and technology program for girls in, 317
  - perceived abilities in mathematics and technology in girls, 317
- Modified Fennema-Sherman Mathematics Attitude Scale, 317
- Nomadic Fulani in Nigeria, 341
- Professional Opportunities for Women in Research and Education (POWRE) awardees, 131
- Science
  - African American elementary students, 203
  - attitudes toward, 79, 99, 393, 393
  - experiences for girls, 79
  - home-work interface for academic women in, 297
  - introductory astronomy class, 89
  - performance in college chemistry, 217
  - promoting careers in, 79, 99
  - prosocial aspects of, 393
  - recruiting female faculty members in, 361
  - retention in, 217, 361
  - supporting females in, 161
  - veterinary science curriculum in primary science, 341
- Scientists
  - attitudes in Germany, 99
  - beliefs about, 393
- Service Learning Project, 79
- Stereotype Threat, 89, 179
- Student-Faculty Interactions, 229
- Technology
  - attitudes of college seniors, 55
  - computing learning environments, 21, 149
  - curriculum and instructional techniques, 149
  - experiences for girls, 79, 179
  - residential camp for middle school girls, 317
  - retention in, 217
  - supporting females in, 161
  - teaching in middle school, 179
  - women interested in, 67
- Urban School Districts
  - vouchers for students, 203

**Women**

- access to science, 99
- attitudes toward gender, work, and family, 99, 297
- attitudes toward physics, 393
- building a network to support, 161
- career advancement of, 297
- coping strategies of, 297
- experiences in college engineering, 1, 377
- experiences of faculty members, 131, 297, 361
- graduate school experience for, 243
- in computer science programs, 37
- in Engineering (WIE), 1, 283
- in Science and Engineering (WISE), 1
- interested in information technology, 67
- mentoring for, 297, 377
- participation in physics, 229
- professional development program for, 297
- recruitment, 1, 99, 131, 217, 229, 283, 361
- retention, 1, 131, 229, 283, 361
- vocational psychology of, 297
- workplace climate for, 297

## AUTHOR INDEX — VOLUME 10
