

From the Editor-in-Chief

In September 12–14, 2001, an International Conference, “Perspectives of Medicinal Mushrooms in Health Care and Nutrition in the 21st Century,” was held in Kiev (Ukraine). Three hundred and forty-eight scientists from 38 countries presented their results in the abstracts published in this special issue of *IJMM*. Among participants, you will recognize the names of many well known experts in medicinal mushrooms. The conference was organized by the National Academy of Sciences of Ukraine, Ministry of Education and Science of Ukraine, and Ministry of Health of Ukraine. The sponsors of the conference were: GOLDEN: My-

coBiotech Ltd. (Singapore) and Tokyo Institute of Applied Medicine, Inc. (Japan). GENERAL: Beggell House Inc. (USA), Fungi Perfecti (USA), GlaxaWellcome (UK), Amino Up Chemical Co (Japan), Winsor Health Products Limited (Hong Kong), *Eleusis Journal of Psychoactive Plants & Compounds* (Italy), Bergland-Pilze KG (Germany), British Mycological Society (UK), Japanese Association for Integrative Medicine (Japan), Biotechnology Ltd. (Ukraine), Rondo Travel Agency (Ukraine), Sylvan (USA), International Society for Mushroom Science (ISMS), and Ukraine Mushroom Growers Association.
