

CORRIGENDUM

Unfortunately, an error was made when listing the authors of the following two articles that appeared in *Atomization and Sprays*. The name of Andrew J. Yule was omitted. Below are the article titles with the correct author listing for each article. The authors, editors, and publisher extend our sincere apologies to Prof. Yule for this error that went unnoticed.

CHARACTERISTICS OF WATER DROPLET IMPACTION ON A POLISHED STEEL HEATED SURFACE. PART II

S.W. Akhtar,¹ Ghasem G. Nasr,^{2,*} & **Andrew Yule**²

¹Institute for Nuclear Power, P.O. Box 3140, Islamabad, Pakistan

²Spray Research Group (SRG), Institute of Materials Research (IMR), School of Computing, Science and Engineering, University of Salford, Manchester M5 4WT United Kingdom

*Corresponding author: Ghasem G. Nasr E-mail: g.g.nasr@salford.ac.uk

Original Manuscript Submitted: 1/5/06; Final Draft Received: 7/17/06

Atomization and Sprays, Volume 17, Issue 8, 2007 (pp. 683–729)

DOI:10.1615/AtomizSpr.v17.i8.20

NOVEL AEROSOL INSERT DESIGN UTILIZING INERT COMPRESSED GAS

Martin L. Burby,^{1,*} Ghasem G. Nasr,¹ **Andrew Yule**,¹ Gary Hawthorne,² & Norzelawati Asmuin¹

¹Spray Research Group (SRG), School of Computing, Science, and Engineering (CSE), University of Salford, Manchester M5 4WT, United Kingdom

²SALVALCO, The Salford Valve Company, Ltd., Technology House, Lissadel Street, Salford, Manchester, United Kingdom

*Address all correspondence to Martin L. Burby E-mail: m.burby@salford.ac.uk

Original Manuscript Submitted: 6/12/2013; Final Draft Received: 5/20/2014

Atomization and Sprays, Volume 24, Issue 12, 2014 (pp. 1035–1063)

DOI:10.1615/AtomizSpr.2014007903
