

**Remark to the paper “Approximate Analysis  
Method for Multiservice Cellular Networks  
with the Buffer for Data Calls”  
(authors A.Z. Melikov, L.A. Ponomarenko, Che Soong Kim)**

Paper “Approximate Analysis Method for Multiservice Cellular Networks with the Buffer for Data Calls” (authors A.Z. Melikov, L.A.Ponomarenko, Che Soong Kim) in “Journal of Automation and Information Sciences”, 2013, vol. 45, issue 6, pp. 13–24, has been supported by a Sangji University Research Grant 2012.
