

The 8th International Medicinal Mushroom Conference, August 2015 (Manizales, Colombia)

We are pleased to announce the 8th International Medicinal Mushroom Conference. The meeting will be held in Manizales, Colombia, 24–27 August 2015. This conference will be the first IMMC to be held in South America. We invite scientists and students, mycologists, medical doctors, immunologists, contagious disease specialists, naturopaths, biochemists, and all those who are interested in studying and discussing the most current research on medicinal mushrooms and their properties.

Organized by:

Universidad Autónoma de Occidente de Cali (Autonomous University of the West – Cali)
Universidad de Antioquia (University of the Province of Antioquia)
Universidad de Caldas (University of the Province of Caldas)
SENA – Servicio Nacional de Aprendizaje (National Higher Learning Service)

Co-organized by:

Universidad Javeriana de Bogota (Xaverian University of Bogota)
Chamber of Commerce of the City of Manizales

Honorary Chairmen: Prof. Shu-Ting Chang & Prof. Solomon P. Wasser
Chairman: Prof. Carmenza J aramillo Lopez
Vice Chairman: Dr. Angela Amazonas
Secretary General: Miss Hilda Jaramillo & Mrs. Maria Elena Jimenez
